

## **INSTRUCTIONS FOR AUTHORS PUBLISHING IN QUARTERLY SCIENTIFIC PROBLEMS OF MACHINES OPERATION AND MAINTENANCE**

1. The quarterly SCIENTIFIC PROBLEMS OF MACHINES OPERATION AND MAINTENANCE publishes original papers, that have not been printed previously in any other journal, not containing commercial and marketing items, only in English.
2. The periodical is published in printed and electronic versions and the electronic version can be found at <http://t.tribologia.eu/>.
3. Authors submitting the manuscript of the paper should deliver the declaration of the transfer of the author's rights to the editor.
4. In order to avoid ghostwriting and guest authorship, the authors are obliged to deliver a declaration concerning the contribution of co-authors of the publication and the sources of financing of the reported work.
5. Authors are obliged to obtain written permission from the proper editors for utilising the elements of their publications covered by the author's rights, belonging to the other party.
6. After preliminary approval by the editor confirming the scope of the paper within the area of interest of the quarterly SCIENTIFIC PROBLEMS OF MACHINES OPERATION AND MAINTENANCE, the manuscript will be registered and reviewed (procedure of reviewing has been published on the page <http://t.tribologia.eu/>).
7. The authors will receive the reviews and should perform corrections and required revisions within 7 days.
8. Two positive reviews are required as a condition to qualify the manuscript for publication.
9. The editor is responsible for the language correctness of the published texts, therefore, the changes in the text for language correctness can be made without communications with author/s.
10. The manuscripts written as MS Word files in Polish or English are to be submitted together with an electronic version to the editor (e-mail: [ewa.szczepanik@itee.radom.pl](mailto:ewa.szczepanik@itee.radom.pl)).
11. Papers are restricted to the 16 standardised A4 MS Word manuscript pages (including figures and tables). The text should be single-spaced, 11 point Times New Roman, with left and right margins of 4,2 cm, top and bottom margins of 3.5 cm and 6,4 cm, respectively, with a heading of 2,4 cm and footnote of 6,5 cm.
12. The manuscript should contain the authors' names, their affiliations, addresses, phone numbers and e-mail addresses.
13. An abstract and the key words in English and in Polish are to be submitted.
14. Figures (only black and white) with captions (English and Polish) and tables with headings (English and Polish) are to be placed in the appropriate places embedded within the body of the text.
15. Equations (MS Equation Editor) numbered consecutively with Arabic numbers are to be placed in the body of text in separate lines. Only final equations are restricted, without details of deriving them, and finally calculated data.
16. References should be the present positions, and are to be made in the order of citation in square brackets as follows:
  - a) Periodical: author's name/s, title of paper, periodical, volume, year, pages;
  - b) Book: author's name/s, title, editor, place and year of publication.

The editor requires the participation of the authors of the works subsidized by the Ministry of Science and Higher Education and another authorities in the cost of the publication. The author's share is 1000 PLN + VAT.
